

**ASSIGNMENT #2**  
**CSCE 201**  
**N. Stiffler**

1. The first thing to do when setting up LastPass on a mac computer, is to go to the website <https://lastpass.com> and scroll to the bottom of the page and click where it says Download Now.

The screenshot shows the LastPass website with a dark blue header and a light blue navigation bar. The main content area features three pricing plans: Free, Premium, and Enterprise. The Free plan is highlighted with a red border. The Premium plan is highlighted with a red border and a red 'Go Premium' button. The Enterprise plan is highlighted with a red border and a red 'Start Enterprise Trial' button. Below the plans, there is a social media bar with icons for Facebook, Twitter, Google+, Instagram, YouTube, LinkedIn, and a red circular icon. The footer contains links for LASTPASS, SUPPORT, ABOUT US, ENTERPRISE, BROWSERS & PLATFORMS, and GET LASTPASS. The 'GET LASTPASS' link includes a link to the App Store.

Free	Premium	Enterprise
<b>\$0</b>	<b>\$1 /month*</b>	<b>\$2 /user /month*</b>
Start free on any device	Unlimited device sync	For teams of all sizes
Save & fill passwords	Shared Family Folder	Central Admin Console
Secure notes	Priority tech support	Robust sharing
Password generator	Premium two-factor	Security policies
Two-factor authentication	+ LastPass Free features	SSO & Active Directory
<b>Download Now</b>	<b>Go Premium</b>	<b>Start Enterprise Trial</b>

\*Per month pricing billed annually.

5. Fill out the corresponding information as directed. Using a lengthy password for your master password will ensue greater security. Phrases or sentences are recommended.

The screenshot shows a web browser window with the LastPass website. The browser's address bar shows "LogMeIn, Inc". The page header includes the LastPass logo and navigation links: Features, How It Works, Go Premium, Enterprise, Download, and Log In. The main content area is a "Create Your Account" form. The form fields are: Email (johnsmith114@gmail.com), Master Password (a long password with a strength indicator bar), Password Reminder (Optional), Time Zone (-05:00 Eastern Time (US & Canada)), and Language (English). Below the fields is a checkbox labeled "I have read and agree with the terms of service and privacy statement". At the bottom of the form are two buttons: "Cancel" and "Create Account". Below the form is a social media sharing bar with icons for Facebook, Twitter, Google+, Instagram, YouTube, LinkedIn, and a generic share icon.

**Create Your Account**

Email: johnsmith114@gmail.com

Master Password: [password field with strength indicator]

Password Reminder: (Optional)

6. On the next screen, retype your master password.

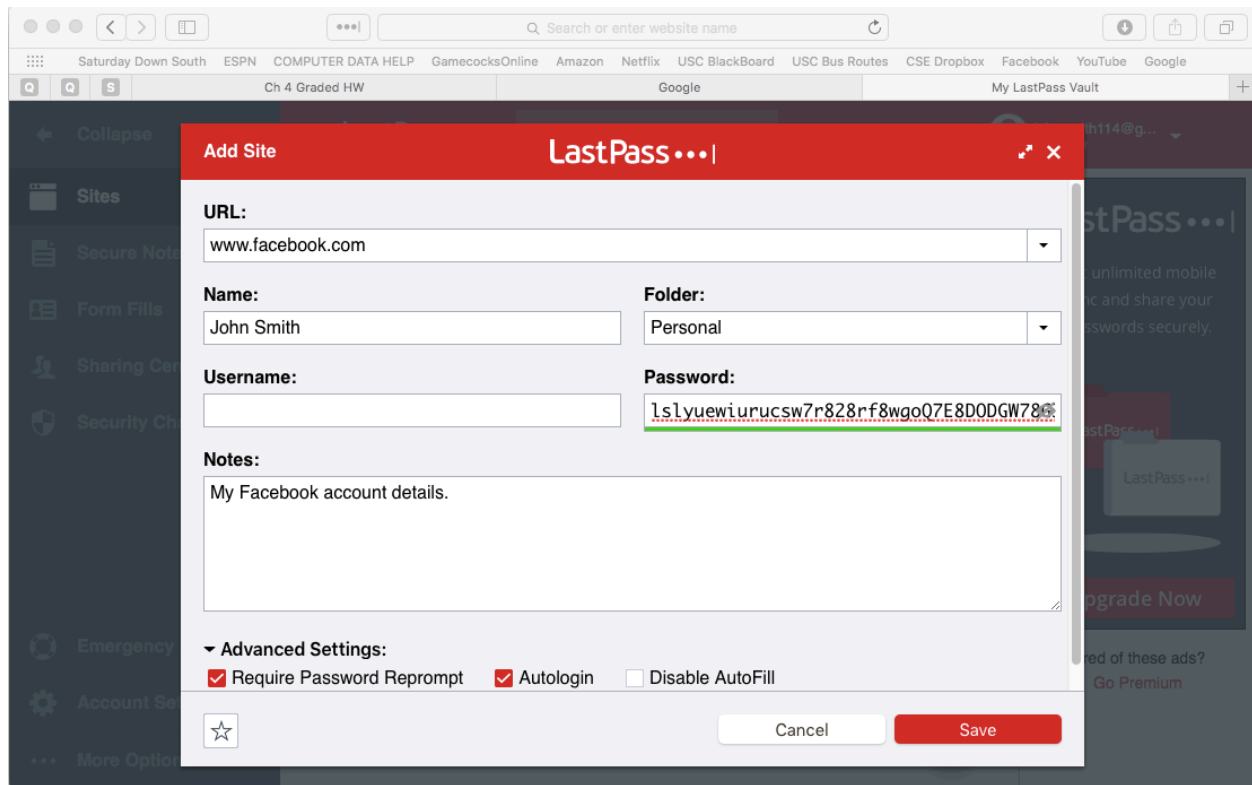

7. You are now logged in to your current web browser with your LastPass account working in your browser's extensions. From any opened tab, click the three dots to the left of the browser search bar to view settings of LastPass.

8. Upon doing this you can click My Vault to view all your passwords, Sites to view website passwords, Secure Notes to view private documents created, and Form Fills for personal information stored in LastPass.
9. In order to create a folder to store all work, school, and personal information separate from each other, click My Vault, then click the highlighted red button in the bottom right corner. Click New Folder and type the corresponding name of the folder.

10. Next click Save then proceed to store info within the folder. Here's an example of storing Facebook, HULU, HBO GO, ESPN, Netflix, and Banking Information...

11. The same format is as follows for other websites. Here are some examples of other information.
